Despite this hesitancy, however, the market presented a steady front on favorable cables and more encouraging news from the world's cloth and yarn markets. Shorts appeared to be uneasy at times, but the rank and the for the bear crowd were inclined to await further developments regarding the crop outlook and the situation abroad, before further reducing their obligations. The markets started steady in tone, at unchanged prices to

Villa Heights Lots

Having accepted the General Agency of The Villa Heights Co., and the Company having revised their prices we are now prepared to offer some rare bargains in those fine suburban lots owned by the Company. Those beautiful water fronts on Villa Circle are unequaled by any lots around here, and must be seen to be appreciated. We will be pleased to drive anyone over the property.
